Tacqueria Tacos Liquor Application

Tom announced that he had petition forms if anyone wanted to gather support concerning the application

Land Use Committee

Fred introduced Lex Economou from Spano (Pinnacle Project). The project is still being designed and they hope to have more details for the next JPUN meeting.

Cory Palmero from Allied had no new news to report. They are waiting for the city's decision on a request to vacate Alcott.

Fred gave the background for the rezoning request from the Brinkerhoff's project on the La Loma block (Alcott/Bryant 26th/27th).

Jim Brinkerhoff gave an overview of the proposed project, which includes residential and retail. The plans are on the JPUN web site.

A motion was made to support the rezoning to RMU 30 for the Brinkerhoff project with the agreement letter read to the membership. The motion was seconded. A vote was taken with 27 yes and 2 no. The motion carries with a majority vote.

Tom adjourned the meeting at 7:40.
