Come One - Come All To Jefferson Park Day!

Meet at the basketball court inside the park at 8am on Saturday, May 14th and join your neighbors to spring-clean our neighborhood.

Then make sure the whole family stays for the free barbecue and festival afterwards. Live music, face painting, theater performances, real animals from the Zoo. Win tickets to Lakeside, summer concerts and other great stuff! Enjoy the neighborhood art showcase and kids art projects. Everyone, big and small, can join in the sack races & "hoops" contest. Crack a piñata, mingle with sports mascots or watch a mystery play.

There's fun for everyone at Jefferson Park Day!

And this year, everyone's invited to create a Jefferson Park Day chalk art drawing on the sidewalks of Jefferson Park. Think about what the Day means to you, grab a pack of chalk & instructions from Amlavi Coffee Shop at Clay & River Drive, starting Wednesday, May 11th, and pick a spot on the park sidewalks to create your masterpiece about Jefferson Park Day. The best drawings will receive prizes at Jefferson Park Day!

A very special "Thank You" to Allied Realty and Riverside Baptist Church for their generous contributions to this event. Contact Brooke Bailey at 303-667-1710 or kromer2036@yahoo.com with questions.

I-25 WIDENING NEAR 15TH STREET MOVES AHEAD...

by Jerry Olson

CDOT held a public meeting in the Highlands on April 20th to brief the neighborhoods on the scheduled widening of I-25.

This project is of special interest to Jefferson Park because of its potential for connecting the pedestrian/bicycle Promenade at Speer Boulevard to the 15th Street and Central intersection in the Highlands. Funding for this however is not included in the CDOT highway project. Requests must be made through City Council representatives to complete the Promenade project.

The \$23,000,000 highway project will require two years construction during which major improvements will be made between 20th Street on the north and Speer Boulevard on the south. Components of the project include replacement of the 15th Street bridge, adding south bound I-25 auxiliary lanes from 20th Street to just south of Speer Boulevard, construction of 35 foot retaining walls and 10 foot wide sidewalks adjacent to Central Avenue.

For more detail and to stay informed visit the CDOT website at www.coloradodot.info then search for "I-25 near 15th Street" under the Projects tab.

TICKET ALERT!
ALERTA DE ETIQUETA!

Restricciones que son en efecto para estacionamiento en la vecindad:
 Mayo 21 -- U2 Concierto
 Junio 1 -- Mexico vs. New Zealand Futbol

Neighborhood Parking Restrictions in Effect:
 May 21st – U2 Concert
 June 1st – Mexico vs. New Zealand Soccer

The day starts early but never fear,
 This spring-clean day is the best of the year!
 Breakfast is served and introductions made.
 Then out to the streets and alley ways.
 Laugh with your neighbors and collect all the trash,
 Then back to the park for a grand 'ol bash!

JPUN Board News

The JPUN Board of Directors met on April 2nd to review committee work to date and plan for the coming months. The following was reviewed:

- JPUN is working with Denver parks and Recreation to determine when Jefferson Park playground is due to be replaced.
- JPUN is emphasizing a safer neighborhood and is actively working with the Denver Police Department. Residents interested in JPUN's safety committee may contact Kat Meldrum at kmeldrum@msn.com
- JPUN is working with a local business to develop a summer concert series in Jefferson Park
- JPUN is developing a Facebook page
- JPUN is developing a business membership program to offer local businesses greater ways to interact with their customers.

The Board of Directors voted to meet on a quarterly basis. The proposed months are January, April, September and November.

Residential Recycling in Denver

Denver Recycles provides recycling service at **NO CHARGE** to residents who live in single-family homes with seven or fewer units. The city provides a recycling container to each household free of charge with a bi-weekly pick-up date.

Sign up and get your free purple recycle cart.
www.denvergov.com/trashrecycling

What Can Be Recycled:

- Cardboard • Glass • Junk Mail • Office Paper • Paper Bags
Magazines and Catalogs • Newspaper • Paperboard • Phone Books
Plastic • Steel • Wrapping Paper

Jefferson Park Pet of the Month

Name: Gertie • Age: 1 and 1/2 • Breed: Unknown • Owner: Joseph DeLeon

Hello Neighbors,
You may have seen me running down the streets of Federal, or another local street when I decide to make a break for it (I love chewing through anything trying to hold me back). I love my owner, but there is just so much to see out in the world, that I cannot contain my rambunctious energy to the deuce ocho. My passion lies in jumping around terrorizing my neighbor friend "Puppy" (above right), and chewing anything around me (couches are my favorite). I was being sent to the pound, when my owner (Joseph), saved me from my desolate fate. Although I am a harrowing dog and considered a "runner," I love my owner with every bit of energy that I have. "Guau guau, ruff ruff"

Would you like to see your pet featured? Please send a photo and a few tidbits about your favorite pet to Cristin at ckcouzens@gmail.com or drop it in her mailbox at 2819 W. 25th St.

Or maybe, Jerry the "pet whisperer" will catch you in the park!

Streetscape Design Workshop a Success

By Marshall Vanderburg

On April 2nd, business representatives and local residents met at Adams Mystery Playhouse to envision the future of Federal Boulevard between W. 23rd and W.26th, and W. 25th Ave. from Federal to Eliot St. Two groups toured the area and then sat down to discuss building scale, possible uses, streetscape and landscape designs.

Design concepts developed include:

- Walkways at intersections including through the Federal Boulevard center median using different paving textures, materials and architectural structures.
- Wider pedestrian right-of-ways, utilizing retaining walls for sloped areas on Federal between 23rd and 25th and landscaping.
- Angled parking, bulb additions to sidewalks at intersection of W. 25th and Eliot, and improved pedestrian amenities were proposed to capitalize on the uniqueness of the width of W. 25th Ave.

The Streetscape committee will be present these design concepts and more at a public meeting May 25, 6:30 at the Adams Mystery Playhouse, 2406 Federal Boulevard.

Visit www.federalboulevard.com for further details.

JEFFERSON PARK COMMUNITY GARDEN

We're off to a great start!

All garden plots are full and a waiting list is forming. Did you miss out? Don't be discouraged.

If you are still interested, contact Doris at dorisyblyth@gmail.com or 303-419-5165. A large waiting list will help us in working with Denver Urban Gardens to expand the garden next year.

May 4th Garden Fundraiser at Araujo's Restaurant! Eat Dinner, Grow a Community

Part of the mission of the community garden is to grow fresh vegetables that the culinary program at CEC/Middle College can incorporate into their student-run restaurant. Vegetables grown by us can be eaten by you at the Eliot Street Café!

To plant a healthy variety, we need to raise funds to purchase plants. Araujo's Restaurant at W. 26th Avenue and Eliot Street has generously offered to donate 10% of their proceeds from dinners served on May 4th from 5:00 to 9:00pm. It's a perfect storm of goodness!

Meet your neighbors, while supporting a local business, school, and garden.

Spring Cleaning Resource Guide

FREE SERVICES TO CLEAN UP YOUR HOME THIS SPRING

Free Mulch Giveaway & Compost Sale - May 7th

Landscaping your yard just got cheaper. The City & County of Denver will be holding its annual "Free Mulch Giveaway & Compost Sale" on Saturday, May 7th, from 8 AM to 3 PM (or while supplies last).

Northwest Location: Sloan's Lake Park, Sheridan Blvd. & 17th Ave.

Disposing of Tree Branches

Residents that have City & County of Denver trash service are able to dispose of bundled branches with regular trash collection as long as:

- Branches are bundled and tied with twine or heavy rope.
- Each bundle of branches weighs less than 40 pounds.
- Branches are cut into lengths of 4 feet or less.
- Branches are 4 inches or less in diameter.

Electronics Recycling: E-cycle Coupon Program

The City of Denver, in partnership with Metech recycling, is now offering an Electronics Recycling Coupon Program. The E-cycle coupon will allow Denver residents to drop-off their televisions, monitors and other electronic items at Metech Recycling's facility at a significantly discounted rate. Denver residents may request an E-cycle coupon by calling 3-1-1.

Learn to Compost: FREE Classes May thru October

Composting is good for your yard and garden, good for the environment, easy to do and fun! Compost can retain 100% of its weight in water and is an important component of gardening in a drought.

To Sign up for a "Learn to Compost" class go online to www.dug.org/compost or call 720-865-6810.

Large Item Pick Up

Next pick up week: May 23 - 27 • Only set out Large Pickup Items on your trash day during the week listed above by 7 AM.

Set up an Email Reminders for Recycling and Street Sweeping

Denver.gov or Jpun.org Helpful Links

Free Appliance Collection

By appointment, Solid Waste Management customers are eligible for complimentary appliance collection. Freon and other large metal appliances (white goods) is done by a private contractor. We ensure that the metals are recycled and the freon is handled in an environmentally safe manner. **Call 303-430-7142, Monday through Friday to schedule collection.**

Cell Phone Recycling

All five national mobile phone carriers have instigated a mobile phone recycling take-back plan, accepting unwanted cell phones at any of their retail locations nationwide.

CFL Recycling

Xcel Energy and Ace Hardware Stores have partnered to recycle CFL bulbs. You may take your compact "curly cue" fluorescent bulbs and mercury-containing thermostats for free recycling drop-off at any of the over one hundred Ace Hardware Stores in Colorado. Home Depot Stores are also accepting CFL bulbs as part of a national program. Please note that Ace Hardware and Home Depot stores are not accepting long fluorescent tubes and the program is intended for residential use only.

Hard-to-Recycle Items

Eco-cycle in Boulder houses the Center for Hard-to-Recycle Materials (CHaRM) and accepts many items that cannot be placed in residential and drop-off recycling. Visit the CHaRM website for more information.

Hazardous Waste Disposal

To assist residents of the City and County of Denver in proper disposal and recycling of household hazardous wastes (HHW), the city operates a door-to-door collection program of these materials directly from Denver homes. Residents may only use this program once per year and must be Denver Solid Waste Management customers, residing in a single family home, townhome, or apartment building of 7 units or fewer. Residents using the door-to-door program or the drop-off facility will be responsible for a \$20 co-payment.

DON'T MISS -

VALDEZ ELEMENTARY'S THIRD ANNUAL PLANT SALE MAY 7th 9am -1pm • 2250 W. 29th Ave

We will have Vegetables, Annuals, Perennials, Seeds, Hanging Baskets and Mothers Day Gift Baskets!

Come support one of your local schools and beautify your garden!
ALL PROCEEDS GO TO THE PTO.

Volunteers Needed for Valdez Playground Construction

I wanted to let you know about an exciting opportunity to build a playground for our kids. On Wednesday, May 18, 2011, volunteers will build a playground on the Valdez Elementary School campus for the students and the community. **That's right!** In just 1 day our community will have a beautiful new, ECE approved playground.

I'm on the registration committee and we are seeking 150 volunteers to help on our Build Day including Build Captains (team leaders). Volunteers do not have to be trained, skilled or have any special tools! You need only be enthusiastic, energetic, and willing to work while having fun! Come as an individual or bring a team (please, no more than 10 people from any one group).

Please feel free to forward this post or my contact information to your friends who may be interested. We will be offering childcare on-site so don't let that be a deterrent from helping out.

To Register, email me at valdezplayground2011@yahoo.com or call 303-709-7375. I can also provide you with a flyer that includes more information but here's a little background:

Dr Pepper Snapple Group, Valdez Elementary School and Denver Public Schools teamed up with KaBOOM! to build the playground and the project was made possible by Let's Play -- a community partnership led by Dr Pepper Snapple Group to get kids and families active nationwide. Get involved at www.LetsPlay.com!

Thank you for your support! Stacy Buslon

DEVELOPERS CORNER

Generation Development LLC announces project plans for property at 28th and Clay

Twenty-one units are planned for the SE corner of W. 28th Ave and Clay Street. This will be Generation Development's second project in Northwest Denver, their first is on Boulder Street in LoHi.

Contact has been made with the JPUN Land Use Committee. Plans for the property will be presented at the next Land Use Committee Meeting on Wednesday, May 11th at 6:30pm in the ground level conference room of Zocalo Condominiums at 2195 Decatur Street.

FITNESS TIPS

I'll be honest, I hate doing cardio.

I challenge you to find anything more boring than sitting on an exercise bike, walking on a staircase leading to nowhere, or running on a knee jarring treadmill. The good news is you don't have to do cardio in a cramped gym. Fortunately, living next to Jefferson Park offers us some fun alternatives.

Introducing the "JPUN 4 Corners Challenge!"

This challenge is a combination of jogging and calisthenics.

Here's the plan:

- Jog to one corner of the park, hit-the-deck and do some Push-ups.
- Pop back up and run to another corner and perform body weight Squats (arms out, squat as if sitting in a chair).
- Again, run to another corner then drop and perform sit-ups.
- Complete the square with burpees (start with a squat, move into a push up, and pop back up)

You can do a set number of laps, or race against a stopwatch (do as many laps as you can in 20 minutes.) There's no right or wrong just have fun.

If you need to burn fat ASAP, try this a couple of times a week and you'll be amazed how quickly you'll drop body fat.

-Kevin Cox

MARSHAL VANDERBURG

For the month of May we tip our hats to Marshall for his diligence and vision in seeking improvements to Federal Boulevard. Since last summer he has led a voluntary committee through concept planning intended to stimulate improvements to the Streetscape between 23rd and 26th Avenues on the Boulevard including the 1900's retail block of W. 25th Avenue.

In recent Streetscape public meetings, residents recommended permanent enhancements to the public landscape and the development of an identity, a brand to the 25th Avenue block. Marshall continues to provide leadership to the Project while stimulating community involvement.

Marshall chairs the Federal Boulevard Partnership, a community-based organization established to maintain and enhance the character and economic vitality of the corridor. He is the Director of Technology and community organizer for JVA Consulting located in Edgewater.

Marshall - deep in thought

The Safety Zone

Coming Soon - The veterans housing being built on the west side of federal at 27th Ave will have a cop shop. The cop shop will have volunteers that can assist in filling out online reports and answer questions about police activity in the neighborhood.

It only takes 47 seconds for a thief to steal your car.

Empower yourself against auto thief by using these simple steps:

- Never leave your car running unattended.
- Never leave valuables in plain sight.
- Never leave your windows rolled down and always lock your door.
- Never leave personal information or documents in your vehicle.
- Get windows, doors and fenders etched with the VIN.
- Only leave the ignition key with a valet, attendant or mechanic.

Cinco De Mayo - Cinco De Mayo starts Thursday May 5th and will run through Sunday May 8th. In the past the majority of the cruising along Federal has been south of 6th Ave. If the weather is nice you can expect traffic delays along Federal during the weekend. If cruising carries over into the neighborhood the police will block off East and West streets off of Federal to keep the cruising restricted to Federal.

Neighbor making a difference! A neighbor observed 4 kids spraying graffiti on a wall and called it in to the police. The police were successful in arresting all 4 kids and linked them to other graffiti in the district. Thank you to that neighbor for playing an active role in stopping the crime in our neighborhood!

With a heavy heart I regret to inform you I am putting my house up for sale and leaving the neighborhood to have a chance to travel more. As the safety officer I realize the importance of having a safety officer for the neighborhood. On average it takes about 5 hours a month of your time. I would like to have a new safety officer in place before I move. **If you are interested please contact me at kmeldrum@msn.com or 303-455-9312.** - Katherine Meldrum
